ORDER

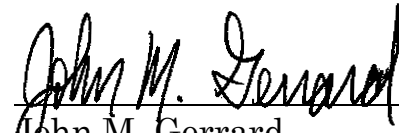

This matter is before the Court on correspondence from the defendant asking the Clerk of the Court to provide him with a form to request a reduction of sentence pursuant to [18 U.S.C. § 3582](#) and the "two point reduction of the drug law," presumably U.S.S.G. Amend. 782. The defendant is advised that the Clerk of the Court does not have a form for applying for a reduction of sentence; accordingly, there is nothing to send. The appropriate practice is simply to file a motion setting forth the grounds for a reduction.

The Court would judge the merits of any such motion upon its filing. However, the defendant is reminded—as should be well-known by now—that a retroactive adjustment of the Guidelines ranges for drug quantity does not affect those who were sentenced as career offenders. See, [United States v. Thomas](#), 775 F.3d 982, 983 (8th Cir. 2014); [United States v. Williams](#), 488 Fed. Appx. 168, 169 (8th Cir. 2012); [United States v. Washington](#), 618 F.3d 869, 872 (8th Cir. 2010).

IT IS SO ORDERED.

Dated this 5th day of October, 2015.
